

Starlight Cabin at Three Hollows Farm

RELAX. ENJOY. NATURALLY.

Visitor Information Sheet

Check In

- The physical address is 165 Milcon Drive, Harriet, AR. Most GPS devices have difficulty locating properties in this area. We will provide you detailed directions and can send a pin drop to your smart phone.
- Check in is at 3:00 pm.
- The nearest grocery store is in Marshall, about 15 miles away. You may wish to consider buying groceries before arriving. There are two convenience stores – one about 7 miles and one about 3 miles.
- Three Hollows Farm, where we live, is across the hollow in the house on the hill.
- When you arrive, the door will be unlocked and the key will be on the table.
- Please let us know right away if anything is not working properly.
- **NOTICE:** A neighborhood hound dog may come by and visit. The dog is friendly but do not leave anything on laying around porch or deck that you do not want chewed and/or possibly carried away. We have provided a rack with hooks on the external wall so you can hang your wet shoes and towels outside. You can shew the dog away nicely and he will leave. Also, the neighbors' guineas may make a tour through the yard. They walk through eating bugs and go about their business.
- If using the futon – sheets, pillows, bedspread, and foam mattress topper our located in the loft.
- There is a TV and DVD player. The TV antenna picks up local AETN (public broadcasting) channels.
- Please do not smoke in the cabin. You may smoke outside but please make sure the windows to the cabin are closed so the smoke won't waft into the cabin. There are butt cans for your convenience. Please make sure the butts are completely smothered.
- There is a charcoal grill with the charcoal provided (charcoal is located in the deck box). Please pull the grill away from the cabin when in use. You may empty the ashes in the fire ring *if the wind is calm*.
- Before cooking on the grill, or emptying ashes, or using the fire pit, make note of the wind. If it is gusting or there are strong sustaining winds, **do not** light the grill, empty ashes, or use the fire pit. Fires can easily get out of control, especially with high winds. When you do cook on the grill, empty ashes, or use the fire pit, keep the water hose nearby. Keep your fires small. Use good sense and make sure all flammable material is removed from the area. **No bonfires.**
- There is a fire pit available for your use. We will advise you of any burn bans. *During a burn ban, no fires may be initiated. Do not use the grill, do not dispose of ashes, do not use the fire pit.* Also, refer to the bullet point highlighted above. **No bonfires.**
- We do recycle. There is a waste basket near the table that is marked "recycle." We can recycle No. 1 and 2 plastics, non-soiled paper, and glass.

- You are free to use any of the items in the pantry. These items are for your use while at the cabin.
- If you are interested in purchasing any of the lures or the fishing rod in the cabin, please contact us.
- There is small batched homemade soap for your use in the bathroom that you are more than welcome to take home. We make the soap using all natural and nourishing ingredients.
- If you have any questions or needs, please call us (512) 674-5464 or (870) 504-3221.

Check Out

- Check out is at noon.
- Please let us know if anything is not working properly or needs to be replaced.
- Please leave the key on the table and lock the door.
- We hope you enjoyed your stay. Please let us know if there is anything we can do to make your stay more enjoyable. We would appreciate comments regarding your stay on our Facebook page or website or on the travel site you booked through.
- We are so glad you chose to stay with us and we hope to host you again!

Emergency Information

- Sheriff: (870) 448-2340
